

Xmax is about to officially debut, embarking on a
new journey together.

Dear investors and followers:

On behalf of the entire Xmax team, we are incredibly excited to announce a milestone: Xmax will officially open its doors to global investors in one month and unveil our Nasdaq stock ticker. This moment marks the beginning of a new phase for us and also means you will have the opportunity to invest with us in the core ecosystem of humanity's future technology.

Over the years, Xmax has consistently strived to build a bridge connecting global capital and cutting-edge technology. Through targeted investments in technology companies reshaping humanity's future, such as SpaceX, xAI, and Neuralink, we provide the public with exclusive access to disruptive innovation. With this official launch, we will fully showcase:

1. Xmax's strategic layout and investment logic;
2. The technological breakthroughs and commercial progress of our core

investment portfolio;

3. The stock ticker and direct investment path.

Xmax's innovative model breaks down the barriers of traditional private equity investment, providing ordinary investors with a rare opportunity to share in the core dividends of Musk's ecosystem. Our mission is not only to increase capital, but also to accelerate human progress in space exploration, artificial intelligence, and brain-computer interfaces.

This public launch is an excellent opportunity for you to gain a deeper understanding and participate in this journey.

Please continue to follow Xmax's official channels (official website, X platform, etc.). We will interact with you through the following methods:

1. Live online press conference: In-depth analysis of Xmax's value and future plans;
2. Investor Q&A (Q&A)**: Transparent responses to your key questions;
3. Stock code announcement: Opening public market trading access.

Investing involves risks, including the possibility of loss of principal.

Xmax's stock price is affected by portfolio performance, market volatility,

and the macroeconomic environment. Before investing, please refer to the company's prospectus and latest financial reports for a rational decision.

The future is here, thanks to you. Thank you for your continued attention and trust in Xmax. One month from now, let us witness this historic moment together, invest in the future together, and define the next chapter of civilization.

Stay tuned!

Xmax Team
